Add Link to Bookmarks or Home Screen: iOS Devices

1. Navigate to http://www.daktronics.com/fieldserviceportal

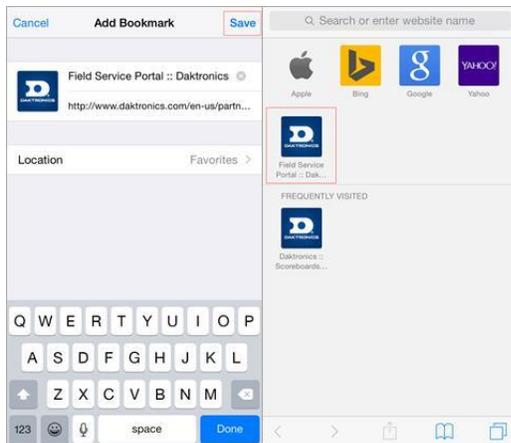

2. Tap the square with the up arrow in the bottom center of the screen.

3. Choose:

- **Add Bookmark** to add a bookmark within your browser, or
- **Add to Home Screen** to create an icon on your home screen.

If you're adding the link to your Bookmarks, you will receive a prompt to confirm the description and link. This will automatically populate as **Field Service Portal :: Daktronics** with the correct address.

                  Add Bookmark   **Add to Home Screen**

If you're adding an icon to your Home Screen, you will receive a prompt to confirm the description and link. This will automatically populate as **Field Service Portal :: Daktronics** with the correct address.

4. If adding a Bookmark, tap the **Save** button.
   If adding an icon to the Home Screen, tap the **Add** button.
